

# Beautiful Spring Apparel

A superb assortment now at The Ardmore Dry Goods Company, Ardmore's fastest growing store. The records will show beyond contradiction that there has been received at the freight and express offices of this city more goods for us than any dry goods house in Ardmore. **THIS MEANS A GREAT DEAL.** IT MEANS that we are showing more new goods than any other house. IT MEANS that we have no carried over styles to offer the public. IT MEANS that the ever increasing number of well pleased customers in our house requires an enormous amount of goods. IT MEANS that we understand the wants and needs of the trading public and that we buy our goods in such a manner that our prices are constantly drawing new customers. Despite the fact that hundreds have made handsome purchases from our new spring stock, our shelves and counters still fairly groan beneath the burden of elegant spring goods. **THE SECRET** is we keep the new constantly coming. Our New York buyer is kept very busy and no good thing escapes him. If you desire the newest and most popular goods and at prices which you can afford to pay, do not buy until you have examined our stock.
